Total B

Perfect Putt™ 360 Instructions: Measure each distance from the pole. Throw 10 putts from each distance mark. Player must step off of the putting mark and reset between each putt. Each made putt at the longest distance is worth double points. Rounds A and B should be played from different directions to present different wind challenges. A perfect score is 360!

Variations: Short game: play just A series. **Perfect Putt Pro™:** begin at 20' and work back to 40' in 5' steps. Visit flyingdiscmagazine.com to track scores against other players around the world.
